**“The Vibrant Parish—a place to encounter
the Living Christ”**

In 2012, throughout our entire Church, we began working together on a program of parish renewal. The priorities for this renewal were placed before us by our Synod of Bishops under the leadership of His Beatitude Sviatoslav.

This is a process that is designed to help us grow as a faith filled community.

This stage in the process will begin with a series of six homilies over six consecutive Sundays, followed by the opportunity for us to reflect together as a parish community on the priorities or elements of the
“Vibrant Parish”.

In our Parish the schedule for preaching on each of the six elements of a **vibrant parish** is as follows;

- 1 Word of God and Catechesis (October 6th)
- 2 Liturgy and prayer (October 13th)
- 3 Serving one's neighbour (October 20th)
- 4 Leadership and stewardship (October 27rd)
- 5 Communion – unity (November 3rd)
- 6 Missionary Spirit (November 10th)

After the Liturgy on Sunday the 10th November, Fr Wally and the Parish Council would like to invite you to join in the first stage of the process of Pastoral Planning.

We will be meeting in the hall to discuss in small groups how we are already fulfilling our mission as Church. This stage is called **“Count our Blessings”**.

The second stage, involving parishioners, will take place not long after this Sunday and is entitled;

“Dare to Dream”: Imagine what might be possible to better fulfil our mission as Church?

Please come and join us as we begin this journey of Church renewal and parish revitalisation!

We might say that the aim of Pastoral Planning is to help our parish communities and all their members

BECOME WHO THEY ARE CALLED TO BE!

The following questions can help us focus on the basics:

Who are we?

WE ARE CHRISTIANS, MEMBERS OF CHRIST'S CHURCH.

What do we believe?

WE BELIEVE IN A TRIUNE GOD WHO DESIRES THE SALVATION OF THE HUMAN RACE.

What is our mission?

TO GUIDE THE COMMUNITY OF GOD'S CHILDREN TO THE FATHER, THROUGH THE SON, IN THE HOLY SPIRIT.

How can our community fulfil this mission?

BY BEING A VIBRANT PARISH - A PLACE TO ENCOUNTER THE LIVING CHRIST.
